

Who let the dogs out?

Pet Friendly Synthetic Grass Now Available

SYNLawn's new Pet Premium system is the first Australian Made synthetic grass system designed specifically for your furry friends. It is the best grass for dogs with a range of benefits. This pawsome artificial grass solution for pets is designed to provide a beautiful, low-maintenance and importantly odour-free lawn all year round. The system includes our new Australian Made Pet Premium turf, exclusive Pet Premium Infill and handy P-Off cleaner.

By choosing our Pet Premium artificial turf system you can say goodbye to brown spots on your lawn, annoying holes, and muddy paws inside the house!
